2004 Yearbook Dedication

Jim goes above and beyond the call of duty and works seemingly endless hours to provide Merrimack College students with as many opportunities as possible to further their career through the programs that he organizes.

Jim Greeley

No matter how busy life can get, Jim will always take time out of his busy schedule to help any student or fellow colleague in need.

The countless hours that Jim shares with this college community are evident through the success from all who leave from the doors of Merrimack.

Jim shows much encouragement towards the possibilities for each and every Merrimack College student.

For an unprecedented third time, Jim Greeley has been chosen for the Merrimack College Yearbook dedication. This is not a surprise to those who have known Jim over his many years of service to the college, and have observed his unwavering commitment and love. He began his life at Merrimack as a student, culminating his studies by being named Valedictorian of his class. Beyond his academic success, Jim began a lifelong dedication to those around him with numerous leadership roles on campus and a friendship base that lasts to this day. It is not by chance that those who met Jim as a student still call him a friend. He continues to stay in touch with them offering all that a friend should.

Jim's professional career took him on many paths, some of them at Merrimack in different capacities. As Director of Student Activities, he helped bring about a diverse and lively life for students along with nurturing many in responsible roles on campus as advisor to the Student Government Association. This was not the only area that he advised, but one that helped many students mature and view Merrimack from a broader perspective. From there he traveled, and traveled he did, to the Admission Office and assisted many in making the decision to attend Merrimack. While his heart was always in the admission profession, his caring nature took over once again with a new position as Director of Alumni. With his vast connections to the thousands of students who had graduated, his expertise was well tapped by Merrimack, and our alumni had high praise for his hard work and outstanding opportunities to gather again as loyal supporters.

While he embarked on a new career path in sales, one that was met with great success, he returned to Merrimack in 1997 as Director of Career services and Cooperative Education, the position that he holds today. In this capacity, his dedication to the students of Merrimack continued as it had previously, but with the added advantage of his own career hiatus outside of the college. With this came a new era in placement at Merrimack with graduates experiencing many new opportunities to set their own career path and achieve great success.

This dedication highlights a small portion of what Jim Greeley has contributed to the history and success of Merrimack College. He is unwavering in his intent to make the college and the students the best that they can be. For this reason, it is most fitting that he be honored with the 2004 Merrimack Yearbook dedication.

Mary Lou Retelle

President Richard Santagati

Dear Members of the Merrimack Class of 2004:

Congratulations on your graduation from Merrimack College. This yearbook you hold captures a moment of time in your lives- a brief, but important reflection on your life as a student here. I hope it has been more than you ever imagined.

During your time at Merrimack, you had many accomplishments, both personally and as part of our community. Your day-to-day academic and social activities are small pieces that comprise a larger, richer whole. When you put them together, you realize that you leave Merrimack with more than your degree. You leave here with knowledge and insight, the wisdom that comes from your experiences, a direction to live your life based on values in the Augustinian tradition, and deep friendships which you will value for the rest of your life.

You have been an important part of making Merrimack College what it is today. I thank you for your contributions to our college. Each of you in some way has enriched the experience for all of us. I hope you will return to campus often in the years to come.

Your spirit of determination and commitment to excellence reflects well on Merrimack and will carry you far on your journey through life. As you move on to new adventures and challenges in your lives, embrace and capture the many moments you will experience as you develop your careers, and contribute to making society a better place.

I wish you much success in your life, both professionally and personally. God bless.

Sincerely,

**Richard J. Santagati
President**

A Message from Michael Narbut

This is my fourth year working with the talented staff of the Merrimack Yearbook.

As a business major specializing in Marketing, I am currently in the work/study program. When I am not in class or interning at Tactician Corp, I am busy photographing, editing, and researching the latest gear and techniques. Many of you who are reading this probably see me with a camera at sporting events and activities on campus. I intend to continue with my internship and position at the yearbook next year.

As a team I feel each of us contributed to bring Merrimack the finest quality yearbook possible. This is our second year featuring a full color book. I am very happy with the look and feel of this year's book,

including the cover, incorporation of the theme, and quality of each section. It truly takes a team effort to bring you a quality yearbook from inception to delivery and I cannot thank our staff enough for their perseverance.

I am thankful to have worked with an excellent Editor-in-Chief and advisor—Andrea Merrill and Kevin Salemme. They were always available to answer our questions and guide us through hectic times. Andrea was an inspiration to us all to get our pages in before deadlines and especially when we were told by the college to cut 50 pages from our book during the summer. Andrea, I wish you success in all your future endeavors. Keep smiling, know you will reach your goals.

Joining the yearbook was one of the best decisions I made at Merrimack. If I had not joined I would never have discovered my interest and enthusiasm for photography and graphic design. Running the yearbook is in many ways similar to running a small business. While we have support from the college, we are responsible for publicity, raising money, recruiting, designating jobs, working with photography studios, weekly meetings, training newcomers, and delivery. As a business major the yearbook has helped me understand firsthand the various layers of an organization. Most importantly, the yearbook has helped strengthen my ability to work together for a shared goal while improving my communication skills.

Again I want to thank our entire staff for their hard work and dedication to our yearbook. Without your support this yearbook would not be possible.

A Message From the Editor-In-Chief

It's hard to believe that I am writing this message because that would mean that my time at Merrimack is coming to an end. These past four years have flown by. It has definitely been a fun and exciting experience.

I have been on the Merrimack yearbook staff for four years. I have enjoyed the position of Editor-In-Chief. I can't say that it has been easy, but it was definitely challenging and rewarding in the end. I have learned a lot by being on the yearbook staff. I have met many new people along the way and each one has inspired me in a different way. The staff of the 2004 yearbook has been truly amazing and has risen to the occasion of producing the best possible yearbook. I am extremely proud of this yearbook, especially since it is the second color book in the history of Merrimack College.

In 2000, when the majority of the graduating seniors started at Merrimack, who would have known that there would have been lots of adventures, challenges, and good times that we have all shared. Everyday our lives are changing, but with every day comes a new memory. Here's to the theme of memories in motion. I hope that this 54th edition of the Merrimack yearbook has captured many memories throughout the year.

***Adrienne-** Thank you for your dedication and commitment to the yearbook. You were always there with your ideas and ready to work on the next project. You are definitely an asset to this organization. Good luck next year on the 55th edition! **Janelle & Kristen-** We have definitely had a lot of great times! Thank you for all of your hard work and dedication with the yearbook. Congratulations and good luck with all of your future endeavors. **Mike-** Thank you for all of your help. You did a fantastic job on the sports section! You are definitely a great photographer and I greatly appreciate you always being there to take pictures when we needed events covered. Good luck next year. I know that you will do a great job! **Matt-** Thank you so much for working so diligently on the yearbook, especially the Ads to Grads section. You were always there ready and willing to help with the yearbook in any way that you could. Your efforts have been greatly appreciated! **Christina S., Christina T., Katie & Jen-** Thank you so much for all of your hard work this year. I have really enjoyed working and getting to know each of you. All of your efforts have been greatly appreciated. Good luck with the yearbook next year. **Kelly-** I can't thank you enough for all the work you did in the end. When time became a priority, you jumped right in and did an awesome job with your pages! **Kevin Salemmie-** We made it through the year! You are an awesome advisor. Thank you for always being there to help answer all of my questions and to find solutions to our minor setbacks. You were always able to make any situation seem better than it actually was. You definitely brought a lot of laughs and good times to our meetings. Good luck on the 2005 yearbook...I know it will be great! It can only get easier after this! **Jim Greeley-** You are awesome and I cannot thank you enough for everything that you have done this year. This has been a transition year between advisors and you have dedicated more time, effort, and energy into this yearbook than would have ever been expected. You were always there ready and willing to help make this yearbook process run as smoothly as possible. Even when we came across some challenges, you were always there with a positive attitude and a smile, which would always make me feel better about the situation. Congratulations on the 2004 yearbook dedication! **Jeff Smith-** This yearbook would not be possible without all of your help. You were there every step of the way guiding and helping the staff through the yearbook process. Thank you for always being there to answer our many questions. I know sometimes things were not easy, but no matter what, you were always there with a smile and ready to help us. Good luck next year! **Lifetouch-** Thank you for always being there to take pictures at all of the events. It has been a pleasure working with you. **Student Activities-** Thank you for all of your support with the yearbook. It has been a pleasure working with everyone in that office. Everyone was always so kind and helpful whenever we needed anything. **Chris-** Well, the yearbook is complete! I bet you thought you would never see that day! You have been by my side since the beginning when I started as Editor-In-Chief. Your hard work and support have not gone unnoticed. I greatly appreciate everything that you have done. So.....THANK YOU! **My family-** I bet you never thought that you would be reading this page in the finished 2004 yearbook. Hard work does pay off in the end. I cannot thank you enough for all of your love and support throughout the years. I would not be where I am today without your guidance. Just think, there will be no more yearbook stuff around the house! I love you guys sooooo much!*

To the entire Merrimack College Community, thank you for a wonderful four years! Congratulations to all of my fellow graduates! Best of luck in all that you do. I hope that you enjoyed looking back at all the great times throughout the year as much as I have enjoyed putting it together!

Alpha Sigma Tau

Alpha Sigma Tau has been an active chapter on the Merrimack campus since January 27th of 2000. Since our founding in 1899, members have lived up to the same ideals that were set forth by our founders: to be active, self-reliant and trustworthy. Sticking to these ideals, our sorority has grown from eight dedicated women to thousands nationwide.

Throughout the school year the girls of AST make sure to find time to help out the community within our busy schedules. Locally, our chapter dedicated our time to helping out with the Walk for Diabetes on an annual basis. Nationally, Alpha Sigma Tau sponsors and supports the children at the Pine Mountain Settlement School in Kentucky.

Besides helping out the community, we have shared some incredible memories to last a lifetime. We have all come to enjoy a deeper sense of friendship through our common bonds of sisterhood.

A SPECIAL FRIENDSHIP

A college freshman starting out,
striving to find a way,
To fit into a brand new world,
that changes from day to day.
Scared of a life unknown
not knowing how to cope,
Until a special group of friends,
provided eternal hope.
Working together as sisters,
sharing hopes and dreams,
Standing together through the good and bad,
a wonderful loving team.
Nothing to come between them,
for, in hardships they are tough,
Because they'll be forever,
bound by lasting love.

~Tamara Cogburn, Rho Chapter, AST

Concert Choir

The Merrimack Concert Choir was founded in 1996. Since then, the concert choir has stayed strong, being a popular club on campus. The Concert Choir is led by Director Joe Gori, Accompanist John Zannini, Advisor Josie Thomas and the 2003-2004 Executive Board: Co-President: Catherine Johnston, Co-President: Sarah Languirand, Treasurer: Nicole Buxton, Music Chair: Ann Meredith, and Publicity Chair: Eric Scarborough. Each year the Merrimack College Concert Choir holds two concerts in the Winter and Spring and is also active on campus, taking part in Convocation, the Alumni Social, Baccalaureate and Commencement. The Concert Choir is pleased with the events this year and is looking forward to another great year in the fall.

Class Council 2006

The Class Council of 2006 has had a very successful year. The Class Council has gone full circle, starting and ending the year with a 2006 BBQ. Some highlighted events sponsored by the Class Council 2006 include Mr. Merrimack, The Date Auction, Java Jam, and a trip to a Bruins game!! Class Council works with other organizations such as Merrimaction, Class Councils '07, '05, and '04, SGA, Resident Life, Student Life, MPB, and Student Activities, to name a few. We feel our main goal of promoting class and school unity was achieved through the hard work and dedication of the e-board, representatives, and our excellent advisor, Bryan Dunphy-Culp.

Class Council 2007

The 2007 Class Council was extremely productive with "setting themselves in motion" after being elected in October of 2003. The major events organized by the council included holding a first year forum for the entire Freshman Class, selling 2007 class tee shirts, working with the Admissions Office in organizing the Accepted Students Program and conducting a Valentine's Day fundraiser. Additionally, the Class Council participated in the Sports Marketing Department's Broomball Tournament during hockey games and were crowned Broomball Champions. The 2007 Class Council looks forward to the upcoming years at Merrimack College and will continue to plan exciting events and activities for the Merrimack Community.

To the TEAM:

has been an amazing season! Something incredible happened this year because of all your efforts to work hard and come together as a team. We want to thank you for putting your heart and soul into everything we did allowing us to be the best we could be! Starting with our second year at Boston University and going all the way to reaching our goal of competing, we have seen tremendous improvements along the way. One thing we have learned this year is how to work together as a team by supporting each other both inside and outside of the dance studio. Because of this, we have succeeded in all that we did and have set new standards for the years to come. We love and will miss you all! Thank you for all of the great memories...Good luck in Daytona next year! NAIL IT Girls!!

French Club

The French Club was restarted by a few upper level French language students in 2002. The club has now become active.

The purpose of the French Club is to promote French culture and language through trips and films. The club is open to students studying at all French language levels and other members of the Merrimack Community.

The French Club has been on two trips. In February 2002, there was a weekend trip to Montreal. On November 21, 2003 the French Club went to see the musical "Les Miserables" at the Colonial Theater in downtown Boston.

We are organizing more activities and trips in the future.

Italian Club

Il Circolo Italiano

The Italian Club is an organization that promotes Italian culture through dinners, trips, movies, and other special events. This year they ushered at an Italian music event, experienced Boston's North End through food and comedy, held spaghetti suppers, helped out a local service group, and more!

The underclassmen wish the best of luck to their graduating seniors and thank them for their hard work.

Math Club

The Math Club has existed for many years here at Merrimack College. Now President Kaitlyn O'Neil, Vice-President/Co-Treasurer Alison Fish, and Treasurer Sarah Aylward, with the help of Faculty Advisor Dr. Daniel Gries and the rest of the Mathematics Department, run monthly meetings. The meetings comprise many enjoyable activities to relate mathematics to the outside world either through having students present research papers they have done, having faculty members make presentations, or fun activities such as demonstrating how mathematics is used in solving the Rubik's Cube.

In particular, this past December's meeting consisted of using mathematics to create origami ornaments for a Math Club Christmas tree, that was donated to Campus Ministry. This was a great help to Campus Ministry's fundraiser for Alternative Spring Break. The Math Club Christmas tree along with trees decorated by other clubs and organizations, were displayed in the Rogers Center and raffled off. The Math Club invites all members of the college community to attend the meetings and learn something about math and the fun things it can be used for. We look forward to seeing many more of you at our meetings!

MCTV-10

This year MCTV-10 took steps forward into becoming a competitive television station in the Northeast. We were able to have a staff of over twenty students who helped produce numerous shows like the Sports Zone, Dating Game, Strictly Politics, and Merrimack Cries. Though some of the students who came into the program had no relative experience working in the television industry, they will leave here after having worked with real studio equipment and having made friendships that will last forever. MCTV-10, which started with just one hit show, has branched out to many different viewers and looks to continue in the years to come. From our debut of the Dating Game, to our Spring Break trip to California, this year has been unforgettable. MCTV-10 wishes all our seniors the best of luck next year and thanks our Advisor Kevin Salemme and those who have made contributions to the station.

MerrimAction

Service Programs *Taking Action at Merrimack College*

MerrimAction (Merrimack in Action) is the Merrimack College volunteer program with a student/alumni branch. MerrimAction provides students with the opportunity to reach out to the poor and marginalized. MerrimAction empowers the participants to embrace a life-long commitment to recognize and change unjust structures that limit people's options to succeed. Students can participate in many on-going programs throughout the year in the Merrimack Valley and Boston area. The experiences of those involved, when reflected upon, are teachable moments and cause for their own transformation. **Thank You Volunteers!**

Theta Delta Chi

The Brothers of Theta Delta Chi fraternity have been engaged on-campus and within the community. We have assisted Habitat for Humanity, the March of Dimes, the Walk for Diabetes and have added a new charity to our long list-the Jimmy V Foundation. Also, with hard work and a commitment to academic excellence, the brothers have the highest fraternity GPA on-campus. TDX continues to strive to achieve academic and-communal excellence.

This year there are 14 Theta Deltas. They are: Seniors- Anthony Bruno, Jon DeCarlo, Frank Auriemma; Juniors- Jon Wolowicz, Brent McGrath, Frank Capuano, Joe Rodgers; Sophomores- Chris Peters, Brian Provencher, Paul Tripodi, Deepak Vatti, Rob Fisher, Josh Papapietro, and Matt Aldinger.

The Brothers of Theta Delta Chi strive to maintain the high standards that the fraternity demands. Through close friendships, dedication, determination and a social conscience, the Brothers of Theta Delta Chi have worked for the advancement of a common good for all those who come in contact with the fraternity.

Theta Phi Alpha

The women of Theta Phi Alpha ended a successful school year last May, and their efforts throughout the semester gained them campus wide recognition as well as many awards. At the Greek Awards Banquet held last spring, the women of the chapter achieved the following honors: Greek Scholarship Award, Greek Advisor of the Year (Kathy St. Hilaire), Greek Woman of the Year (Stephanie Sordillo), and Sorority of the Year. The sisters' hard work throughout the semester was also recognized by Merrimack College's L.E.A.D Committee who presented them with the Most Improved Student Organization Award; and Theta Phi Alpha's advisor Mrs. Kathy St. Hilaire was also recognized as Merrimack College's Advisor of the Year.

The fall semester of 2003 began with a successful informal recruitment. Theta Phi Alpha's recruitment theme was from the movie *Dirty Dancing* ("Nobody puts a Theta Phi in a corner"). September 2003 also marked the ten year anniversary of the chapter's establishment on campus. During the fall semester, the women of the chapter participated in a number of philanthropic events, including a food and can drive, making hand-made mittens, scarves and hats for a local shelter, and collecting teddy bears for their annual Teddy Bear Drive. The outgoing Executive Board at the end of the fall semester was: President Stephanie Sordillo, Vice President Amy Bessette, Treasurer Jennifer Blades, Corresponding Secretary Jessica Adams, Pledge Sister Educators Jeanne LeDuc and Kate Slupski, Recording Secretary Erin Breen, and Recruitment Chair Erica Wells.

The spring semester of 2004 began fresh with new Executive Board members: President Jeanne LeDuc, Vice President Kristen Lynch, Treasurer Sarah Muraco, Corresponding Secretary Ellen Patnode, Pledge Sister Educators Jessica Adams and Jennifer Blades, Recording Secretary Allison Stinson, and Recruitment Chair Amy Bessette. The sisters had a creative and fun formal recruitment with a Dr. Seuss theme of "Oh the Places You'll Go." The women of the chapter continued their philanthropic efforts by making and delivering Valentine's for a local nursing home, collecting new and used prom dresses for underprivileged youth, holding their annual 30 hour "Rock-a-Thon" with proceeds benefiting a local shelter, and participating in a walk for Cystic Fibrosis. The sisters are looking forward to again participating in Children's Hospital's "Miles for Miracles" walk this upcoming June, as well as continuing their fundraising efforts at Gillette Stadium.
